**Product Capabilities**

Ontic's product support provides a wide-range of aircraft components and accessories—through licensed manufacturing, or excess inventory acquisition.

These components and accessories include:

- Gear, vane and centrifugal pumps for fuel and hydraulic applications
- DC and AC motors
- Mechanical, solenoid, and motor driven valves for hydraulic, air, and fuel applications
- Rotary and linear, mechanical and motor driven actuators
- Digital and analog tachometer generators
- Hydraulic accumulators
- Electronic assemblies
- Fuel controls
- Fans and blowers
- Generators, inverters and starters

▲ For more information about our licensing and product support capabilities, visit us at our website: [www.ontic.com](http://www.ontic.com)

## Product Support

Ontic specializes in supporting products from the following manufacturers:

### Accumulators

- Moog Bendix
- Ontic
- Parker Hannifin

### Actuators

- AlliedSignal Airesearch Bendix
- Vickers Eemco
- Lamb Electric
- Lucas Lear Siegler
- Ontic
- Parker Hannifin
- Smiths Industries PlesseyDynamics
- Whittaker

### Electric Motors

- AlliedSignal Airesearch
- Vickers Eemco
- Smiths Industries PlesseyDynamics
- Hamilton Sundstrand Pesco Task Vap-Air Joy Westinghouse
- Lamb Electric
- Ontic
- Bay Precision

### Fans and Blowers

- Hamilton Sundstrand Task Joy
- Ontic

### Fuel Controls

- Chandler Evans
- Hamilton Sundstrand

### Fuel Pumps

- Crane Hydro Aire Lear Romec Adel
- Chandler Evans
- Smiths Industries Nash
- Ontic
- Hamilton Sundstrand Pesco
- Argo-Tech TRW

### Generators

- AlliedSignal Bendix
- Lucas Jack & Heintz Lear Siegler
- Hamilton Sundstrand Westinghouse

### Hydraulic Motors

- Hamilton Sundstrand Pesco
- Vickers NY Air Brake Stratopower
- Ontic

### Hydraulic Pumps

- Parker Hannifin Abex
- Moog Borg Warner
- Ontic
- Hamilton Sundstrand Pesco
- Vickers NY Air Brake Stratopower

### Inverters

- AlliedSignal Bendix
- Lucas Jack & Heintz Lear Siegler

### Starter Generators

- AlliedSignal Bendix
- Lucas Jack & Heintz Lear Siegler

### Starters

- AlliedSignal Bendix
- Lucas Jack & Heintz Lear Siegler

### Tachometers Generators

- Ontic
- Hamilton Sundstrand Task

### Vacuum Pumps

- Garwin
- Ontic
- Hamilton Sundstrand Pesco

### Valves

- AlliedSignal Airesearch
- Moog Bendix Weston Hydraulics
- TactAir Hydra Power
- Crane Hydro Aire
- ITT Aerospace Controls
- Ontic
- Parker Hannifin
- Vickers Sterer
- Hamilton Sundstrand Vap-Air
- Whittaker

### Electronic Assemblies

- Whittaker
- Hamilton Sundstrand Vap-Air Task

## Statistics

We distribute over 150,000 line items representing over 81 million individual parts. These components, parts and accessories from our inventory are listed with ILS and BComm.

## Overhaul and Repair

Our overhaul and repair center meets the latest Federal Aviation Administration (FAA), U.S. and foreign military standards and requirements.

## Customer Satisfaction

We survey our customers regularly to determine if our service is meeting their needs.

We are pleased to know that our customers consider dealing with Ontic as a "good business experience" and have consistently given us high marks in the areas of service, quote and delivery satisfaction.
