Subject: C.A.S.E. 1-A Standard Audit

Dear Mr. Phillips.

I would like to take this opportunity to thank you for your response to the audit findings of your facility. I have completed my review of your corrective actions and find them acceptable.

In the future if your company experiences any of the following changes please notify us at the address listed above.

- Significant changes in operational scope
- Changes in outside contracting practices
- Change in ownership or major organizational change
- Significant changes in your quality system
- Company name or address change
- Discrepancies in your services or products that could compromise airworthiness or conformance to regulatory requirements.

Respectfully,

Torsten Evers
